

3rd INTERNATIONAL ORTHODONTIC WORKSHOP

October 20 – 21, 2023 | Istanbul | Turkey

Welcome to Istanbul

Join us at this magical meeting place of east and west.

Dive into the orthodontic world and get hands-on practice on current state-of-the-art applications.

The Orthodontic Workshop will be an engaging mixture of research, practice and lectures. Renowned and experienced speakers will give detailed lectures on orthodontic topics.

Throughout history, Istanbul has been the capital of three Empires. For this reason, it houses many historical monuments and places dating from Roman, Byzantine and Ottoman cultures.

Today Istanbul has turned into an easily accessible hub between east and west, making it an outstanding modern metropolitan site with an oriental flair to experience the field of orthodontics at its best!

Let's get together for an unforgettable Orthodontic Workshop.

Claudia Stöhrle

Managing Director

Mark Stephen Pace

Chief Executive Officer

Bettina Graf

Director Global Sales

MEET THE EXPERTS

Profit from interesting lectures by renowned speakers. Secure yourself a place now and benefit immediately in your daily routine from the techniques you learn.

DR. SEBASTIAN BAUMGAERTEL

is a Clinical Associate Professor at Case Western Reserve University in Cleveland, OH. Dr. Baumgaertel also maintains an active private practice in the Cleveland area. In addition, he is visiting Professor at the University of Melbourne, Australia.

DR. SIMON GRAF

is a pioneer in CAD/CAM planned and 3D metal printed orthodontic appliances in Belp, Switzerland. As printable materials are evolving, he is now working on direct printed aligners and removable appliances, with the goal to simplify the patients' and orthodontists' life.

DR. TREVOR HODGE

is a Consultant Orthodontist at the Dental Institute in Leeds, United Kingdom. Prior to this he was an undergraduate at the University of Bristol and completed his specialist training at the University of Birmingham and the Eastman Dental Institute. He is a certified European Board Orthodontist and is active in private practice.

PROF. DR. MICHAEL WOLF

is Director and Chair at the Department of Orthodontics at the University of Aachen, Germany. The regulation of tooth movement, stability and retention with special focus on periodontal immunology and tissue remodeling following tooth movement are his scientific interests.

PROF. DR. MED. DENT. NEZAR WATTED

is a world figure in terms of his contributions to multidisciplinary orthodontic treatment of patients, particularly in preparation for orthognathic surgery. His main interests are aesthetics in orthodontics, combined orthodontic-surgical treatment, combined periodontal-orthodontic treatment, impacted teeth and functional orthopedics.

DETAILS

Alteration / Cancellation

DENTAURUM is entitled to cancel an event if an important reason exists, e.g. insufficient number of participants, non-availability of the speaker, technical problems or in the case of unforeseeable circumstances or circumstances that are unavoidable despite taking due care and which do not fall in the risk sphere of one party ("force majeure"). In such a case, DENTAURUM will inform the participants of the cancellation immediately.

DENTAURUM is not obliged to offer participants an alternative date for the event. Should the event be canceled at the latest 14 days before the planned date, claims beyond reimbursement of the participation fee are excluded (in particular, for example, reimbursement of travel and accommodation costs). In deviation of this, DENTAURUM is also only obliged to reimburse participation fees that have already been paid if the event is canceled at shorter notice because of reasons pertaining to "force majeure".

Images, video and audio recordings

During events, no recording of images, videos or audios whatsoever or publication of such recordings is permitted in view of conflicting rights (e.g. in particular, privacy rights of participants and copyrights to course contents), which explicitly includes the posting of such recordings on social networks and so-called live-streaming.

Payment:

Payment of the participation fee is due upon receipt of the binding confirmation of registration. Fees do not include charges and are payable within 14 days of receipt of an invoice without deduction to the DENTAURUM account listed, unless otherwise stated in the confirmation of registration. The date of receipt of the payment (credit) determines whether payment was effected in a timely manner.

Bank details:

Memo: IOW Istanbul, October 2023 – your full name

DETAILS

Certificate of attendance:

A certificate of attendance will be issued upon successful completion of the program.

Program changes:

Should it become necessary to change the date of the event, DENTAURUM will immediately inform the participants of this, stating the new date. Existing registrations remain valid. Should a participant not be able to attend on the new date, course fees already paid will be reimbursed. DENTAURUM is not obliged to offer participants an alternative date for the event. DENTAURUM is not liable for the reimbursement of further costs.

Liability:

Participants take part in the event at their own risk. Instructions by Dentaurum staff responsible for event organization or an appointed third party at the event location shall be followed unconditionally.

For further information on our conditions of participation and payment, please refer to:

Opening hours for registration at venue:

You can register at the entrance to Ballroom as follows:

Friday, October 20, 2023: 08.00 hrs

Saturday, October 21, 2023: 08:30 hrs

How to get there:

By plane to Istanbul:

Direct flights are available from most international metropolises. Once you have landed in Istanbul, the cheapest way to get to the Wyndham Grand Istanbul Europe is by taxi – approx. 17.00 €.
